**G\* GRASS**

*The star in your cabinet*

Tipmatic-Plus - The drawer for handle-free fronts

### Convenient opening

Thanks to the fully synchronised Tipmatic-Plus fitting, opening and closing can be activated over the entire front by a simple tap.

### Optimal access

With normal loading, the drawer opens up to 2/3 of its extension. This opening distance enables absolute efficiency in the kitchen.

Integrated  
catch function

Wide range of  
applications

#### Reliable closing

Thanks to the unique catch function, the drawer closes both securely and reliably.

#### Wide spectrum of applications

Tipmatic-Plus can be used for loads of up to 70 kg - For narrow or wide drawers, as well as with the entire Nova Pro range.
